

Brewood

Location/Access : Post Code ST19 9DY, opposite 42 Engleton Lane, Brewood. At the north end of the Jubilee Playing Fields (formally known as the Engleton Lane Playing Fields). If you use Google maps - change to satellite view and the position of the green in the park is really obvious. The green has its own gate so don't go into the park by the Tennis Court/Kid's play area entrance as you can't get through. The club gate is normally locked - the home captain will aim to arrive about 45 minutes before the game is due to start to open up.

Parking: Parking is on the road usually on the same side as the green. We ask that where possible you car share, and that you don't park in a continuous line but leave a break of a couple of spaces at some point, usually opposite the shared drive (roughly by the tree), so that it allows a pull in for cars to pass.
