

League and Competition Administration 2020

League

L1

Divisions will be formed based on the number of competing teams, with a maximum of 12 teams unless adjustment is required to meet the needs of the Association.

A nominal promotion/relegation system of 2 up – 2 down will apply.

Teams will consist of 8 players per side. Match points will be scored as follows – Individual game win 1 point, team aggregate home win 3 points, away win 4 points, home draw 1 point, away draw 2 points.

Total points accrued during the season will determine Final League positions, with ties resolved by aggregate shot difference.

The above shall be reviewed every 2 years at the R.R.M.

L2

Fixtures will be played home and away on alternate Saturdays. League matches will commence at 3.00pm or as directed on the fixture list.

Teams must apply each season for 11.30am start to home matches, only if due to green availability an alternative start time is required, otherwise rearranged in line with L10.

L3

All home teams must provide a tape measuring 19m, 4 jacks to Appendix A of the Laws Of the Game and 4 mats between 128mm & 154mm. Visiting teams shall be allowed 15 minutes exclusive practice from 25 minutes before start of the match (2.35pm to 2.50pm or 11.05 to 11.20am, as appropriate) with the match equipment. Away captains may inspect the jacks. Dress code for all league matches must comply with General Rule G1B.

L4

Clubs with more than one green must, at the AGM and on their Annual Registration sheet, declare details of which green they intend to use for their league matches for the season. The Association will not sanction the use by any one team of two different greens/venues for 'Home' matches unless approved by the Management Committee in response to exceptional circumstances. All clubs must advise at point of registration of any special local conditions/restrictions that may apply to their venue. All visiting players and officials will have a duty to abide by notified conditions/restrictions.

L5

Each Club must submit an Annual Player Registration list to the Competition Secretary, no later than 14 days before the opening Association fixture of the season. Lists must contain the first name, surname and BCGBA number (including prefix letters) for each player. Only registered players will be able to take part in Association fixtures and events. The list must also show contact numbers for captains (or a responsible alternative) for emergencies on match days etc.

Additional player registration requests may be made up to 3 hours before the start of any League fixture, but players are not eligible to play until confirmed by the Competition Secretary.

Players may request a transfer of registration at any time between the start of the season and July 31st, using Association transfer request form and submitting with £5 administration fee. Confirmation will only be given providing all dues have been paid to the former club.

L6

Playing order and opponents for all fixtures will be determined by the turning of cards. All games will be singles, first player to 21, with the away players casting the first jack. The green should remain fully occupied

throughout. A reserve may be nominated should a player not be present when required, with the defaulting player not eligible to play. If a Club cannot field a full team they forfeit the game point(s) and 21-0 shots to their opponent for each absent player.

L7

In the absence of an official referee, the captains shall be authorised to decide on any point which arises during the match or where a delay may be required. Unless agreed by the Captains, a delay shall be no longer than one hour after the match start time, or start of the delay, before postponing the fixture. If preferred, match cards may be sent to the Competition Secretary by hand or by first class post, to arrive no later than two postal days from the conclusion of the match.

Entry of inaccurate information or failure to meet timescales for entry/confirmation of results online will be treated as follows –

1st & 2nd occurrences – reminders of responsibilities will be issued to the Club(s).

On agreeing to a rearrangement, the opponents will offer three alternative dates, one of which must be accepted by the team seeking the rearrangement.

An altered fixture can be brought forward, delayed, or in the event of agreement not being reached, played as directed by the Competitions Secretary.

Arrangements for the new date must be agreed - and notified to the Competition Secretary by both Clubs - within 14 days of the original date, and at least 48 hours prior to the fixture taking place.
